On the 11th August a tripartite MoU was signed between the State Institute of Capacity Building, B-ABLE (BASICX academy for Building Lifelong Employability Limited) and CAEPHT (the College for Agriculture Engineering and Post Harvest Technology) Ranipool with an aim of providing quality training and capacity building in the field of agriculture and allied sector for livelihood promotion and increased revenues through value chain improvement and value added industry linkages.

Each agency would bring a unique set of expertise with the CAEPHT contributing towards technical inputs mentors pool and professional network , the B ABLE bringing in national skill qualification framework compliant training modules and SICB bringing in the state resources, policy integration with various centrally sponsored schemes particularly Pradhan Mantri Kaushal Vikash Yojna, the Rashtriya kisan Vikas Yojna , acting through convergence of various state departments dealing with Agriculture and allied sectors for integrated farming skilling.

One of the key project on anvil by the three agencies is the Aromatic Hub development in South and West districts.

The MoU was signed by Dean CAEPHT Shri P.K.Shrivastava, business head B-ABLE Shri Vishal Amarawat and Chief Administrator SICB Ms.Mrinalini Shrivastava, IPS and attended by the faculties and professors from CAEPHT, officers from SICB , members from B- ABLE entrepreneurs in the area of farming and the farmers producers organisations members .
